

**A.Y.: 2025-26**

## **Central Facilities**

The institution provides a range of common and shared facilities for the benefit of all students and staff across various departments. These centralized facilities are designed to support academic excellence, overall development, and enhanced productivity, and are accessible to users as per their needs and requirements.

The following facilities are available on campus:

1. **Central Library** – Well-equipped with textbooks, reference books, journals, e-resources, and a spacious reading room.
2. **Computer Centre** – Provides internet access, licensed software, and digital learning resources.
3. **Auditorium and Seminar Halls** – Used for academic programmes, workshops, seminars, and cultural events.
4. **Sports Facilities and Gymnasium** – Includes playgrounds, indoor and outdoor sports facilities, and fitness equipment.
5. **Canteen/Cafeteria** – Common dining facility for students and staff.
6. **Health Centre / Medical Facility** – First-aid services with a doctor available on call.
7. **Common Rooms** – Separate common rooms for boys, girls, and staff for rest and recreation.
8. **Staff Room** – A well-furnished common staff room equipped with computers, internet access, printers, lockers, seating arrangements, and pantry facilities including an oven for convenience and collaborative academic work.
9. **ICT and Wi-Fi Enabled Campus** – Internet-enabled campus to facilitate teaching, learning, and research.
10. **Counselling and Career Guidance Cell** – Supports students in academic, personal, and career-related matters.
11. **Centralized Drinking Water Facility** – Purified drinking water units installed across the campus.
12. **Butterfly Garden and Medicinal Plant Garden** – Developed for environmental awareness and experiential learning.
13. **Well-equipped Laboratories** – Centralized and departmental laboratories with modern instruments and safety provisions.
