

# PLACEMENT CELL

## **Training & Placement**

In today's global and highly competitive market, success demands the highest standards of quality and professionalism. The Placement Cell is committed to achieving the right job fit that is mutually beneficial for both students and recruiters. Our primary focus is to ensure that students are placed in organizations where they align intellectually and culturally.

At Ghanshyamdas Jalan College of Science, Commerce and Arts, we ensure that every student receives adequate industry exposure and skill development to meet evolving corporate expectations. The strong performance of our alumni has attracted numerous recruiters to the campus this year. Their consistent contributions and rapid career progression have strengthened the College's reputation, making Ghanshyamdas Jalan College of Science, Commerce and Arts a preferred choice among recruiters.

## **Placement and Career Guidance Centre**

Ghanshyamdas Jalan College of Science, Commerce and Arts is dedicated to fostering strong Industry-Institute interaction by organizing various activities that expose students to real-world professionalism. The evolving global economic landscape has led organizations to seek professionals who can contribute effectively from the outset—adding value to business functions while serving as role models for future growth.

## **Ghanshyamdas Jalan College of Science, Commerce and Arts enhances student's employability skills by -**

- Conducting intensive training to enhance management competencies in line with industry requirements.
- Organizing regular soft skills and language improvement sessions.
- Hosting guest lectures by industry experts to provide practical insights into the corporate environment.
- Arranging a series of mock interviews and grooming sessions prior to the campus placement season.
- Providing corporate mentoring by experienced professionals to ensure students are industry-ready and well-prepared.

The Centre also equips students with accurate and up-to-date information to make informed career choices. We guide them to align their aspirations and interests with various business practices, helping them navigate their career paths confidently and effectively.

**The Placements Cell at Ghanshyamdas Jalan College of Science, Commerce and Arts also organize campus interviews with reputed organizations such as ICICI Bank, Kotak Mahindra Bank, and many others. These drives provide students with direct exposure to leading corporate recruiters, enhancing their opportunities for meaningful employment and career growth.**
