“Zooventura” - an Inter-Collegiate Zoology Event

The Zoology Department of Ghanshyamdas Jalan College successfully organized an inter-collegiate fest, ZOOVENTURA 2025 on 19th Dec. 2025. The event witnessed enthusiastic participation from several colleges. The main themes of the fest were Habitat Diorama and Kingdom of Crawlers, which highlighted creativity, biodiversity, and awareness about different animal habitats.

Students showcased impressive models and exhibits representing various ecosystems and crawling organisms. The fest provided a great platform for students to learn, explore, and express their scientific creativity.

Food Festival

Food Festival is an Annual Event and an event of “Entrepreneurship Cell” was celebrated with great Excitement and Passion by the Students of our College.

In this event the students display their Entrepreneurial Qualities by setting up an Innovative & Creative Food Stalls and sell the foods and beverages made by them.

The students/stall who sell the maximum and make the highest profit for the day is declared as the “winning Entrepreneur of the event”.
